

EMPTY WAREHOUSE BUILDING BUSINESS IDEAS

E-Commerce

Even in cities like Detroit that may seem to have a struggling economy, companies like Amazon and Walmart see potential in big city population.

Server Farm

As more and more businesses move to the cloud, companies are looking for safe and secure offsite server storage.

Consignment Store

Home builders furnish their model homes with new furniture and need a place to sell it after the model home is no longer necessary.

TOP 5 WAREHOUSING CITIES

Atlanta, GA • Chicago, IL • Dallas, TX • Detroit, MI • Houston, TX

Source

Indoor Dog Park

Indoor dog parks and doggy day care centers are growing in popularity, especially in cities with high density residential development.

Fitness Center or Box Gym

Box gyms like CrossFit and lower priced fitness centers are popping up in warehouse style spaces across the United States.

Microbrewery

When added together, the microbrewery industry is accounting for more beer sales in the USA than Coors and Anheuser Bush combined.
